Training of Trainers

NSJ has a network of highly qualified trainers throughout the region. A current total of 70 NSJ-trainers regularly meet in workshops to update themselves on training techniques and subjects. To meet international standards we closely cooperate with international journalism institutes.<!-- STOP:includingtemplate:design/corporate/override/templates/pdf/article/xml_paragraph.tpl(design:content/datatype/pdf/ezxmltags/paragraph.tpl)--><!-- START:includingtemplate:design/corporate/override/templates/pdf/article/xml_paragraph.tpl(design:content/datatype/pdf/ezxmltags/paragraph.tpl)-->

Over and above, NSJ is the region's most important trainer of trainers, having equipped more than 120 trainers and senior journalists in the region with effective and up-to-date training techniques and methods which allows them to spread their knowledge. NSJ thus significantly contributes to the professionalisation of media training in Southern Africa.<!-- STOP:includingtemplate:design/corporate/override/templates/pdf/article/xml_paragraph.tpl(design:content/datatype/pdf/ezxmltags/paragraph.tpl)--><!-- START:includingtemplate:design/corporate/override/templates/pdf/article/footer.tpl(design/corporate/override/templates/pdf/article/footer.tpl)--><!-- STOP:includingtemplate:design/corporate/override/templates/pdf/article/footer.tpl(design/corporate/override/templates/pdf/article/footer.tpl)--><!-- STOP:includingtemplate:design/corporate/override/templates/pdf/article/main.tpl(design:node/view/pdf.tpl)-->
